## Executive Director

NOTE FOR: DDA

Executive Registry

Harry:

84- 92206

I would like to receive, on a regular basis, a chart which illustrates how well we're doing on the recruitment front. Attached is my suggested approach; improvements are welcome.

- I would prefer it component by component
- bimonthly would be about right
- probably the clerical problem should be dealt with at Directorate level and separately.

Probably this should be sent to the Deputies as well. Any reason why it can't be distributed via AIM?
